That as Democrats, we are proud of the fact that his name will go down in history as one of the most non-partisan Presidents that ever filled the chair.

### A Terrible Thunder Bolt.

Bad Sharp, who lives near Buford, this county, had two fine horses killed by lightning on last Wednesday evening about sundown. He had just come in from work, and met Dr. Barnhill of Buford, and Thomas Sharp, of near Buford, at his barn. It had the appearance of rain and storm, so they all went under the shed to the barn, and they had been there but a few minutes when a keen peal of thunder caused Mr. Bad Sharp's horses to spring from under the shed, and just as they jumped, were struck by the lightning and killed instantly. Dr. Barnhill was holding his horse by the bridle, and Thomas Sharp was holding his two horses by the bridle. The flash of lightning knocked Bad Sharp, Dr. Barnhill and the three horses that were being held under the shed, senseless. Bad was the first to recover consciousness. The first thing he saw when he looked around was his two fine horses lying dead. He then discovered that the two men and three horses were down also. He went to work to resuscitate the two gentlemen. He soon aroused Thomas Sharp to consciousness. But they both worked some time with Dr. Barnhill before he showed any sign of life. The Dr. at last seemed not entirely recovered from the shock. The three horses under the shed were not injured any more than being severely shocked.

### Withdrawn in Henderson.

The proposition to vote \$75,000 to the Henderson State Line railroad has been withdrawn from the city of Henderson, and that road will look elsewhere for help. Henderson should have been left alone at first, and the road built under the Bowling Green, Hartford and Ohio River charter. The counties along the line would give as much or more for a road direct to Evansville. This road is not dead, neither do we believe it will die, but it will be delayed by the action of Henderson.

### Persons wishing to improve their memories or strengthen their power of attention should go to Prof. Loiselette, 237 Fifth Av., N. Y., for his prospectus free, as advertised in another column.

### The Vote.

The following is the vote cast for and against the Henderson State Line proposition:

Against.....103

ABERDEEN.....16

HARTFORD.....73

Against.....182

BEAVER DAM.....81

The proposition was withdrawn from Cromwell and Stearnsville precincts.

### IN MEMORY OF DR. G. R. SANDERS.

EDITORS HERALD.—It becomes our painful duty to chronicle the death of our esteemed and beloved friend, Dr. G. R. Sanders, who died at his residence, Saturday morning the 27th at 4 o'clock.

We feel that this community has never before sustained such a loss in the death of any of her citizens. As a physician, he was appreciated among a large circle of acquaintances. As a Christian gentleman, he had the confidence and esteem of all who knew him. As a husband, he was ever ready by his presence and counsel to devise means by which his church and his family were to be benefited.

As a Sabbath school worker, he was the peer of any man, laboring incessantly for the great cause of Christianity. He took especial delight in assisting the young ladies Aid Society, which had been organized through his instrumentality, and through whose efforts, he had expected to see the dearth of children in the church liquidated. As a father, he was kind and affectionate. As a husband, he was true to the vows assumed when promising to his wife, to cherish and protect her as a part of himself.

At 11 o'clock Sunday morning the large church house at Beads was filled with friends who came to attend the funeral services. Bro. J. A. Bennett led in prayer, after which the funeral sermon was preached by Rev. G. J. Dean.

In the afternoon the Sabbath school held a memorial service. The young ladies presented resolutions of respect, which were very appropriately and feelingly read. All seemed anxious to show in some way their love and admiration for the man whose absence from this world was a loss to the church and to the community.

"Peace be with you, Oh, brother. In the spirit land, Vainly look we for another, In thy place to stand." E. V. M.

### SUNDAY SCHOOL RESOLUTIONS.

WHEREAS, In the providence of an all-wise Creator, He has in His wisdom called Bro. G. R. Sanders from his labors on earth to his eternal rest on high, therefore be it

Resolved, That as a citizen he was humble, upright and honest, never overestimating his own talents nor detracting from that of others; as a neighbor and friend, the need of any; as a physician, the medical fraternity have lost an honorable member, the community has sustained an irreparable loss, not only the loss of the best of a Christian gentleman and Sunday School worker, he was always ready to lend a helping hand and advance the cause of Christianity, morality. As a husband and father, he was kind and affectionate.

We, in Sunday School assembly, in a memorial cap, feel that in him our loss is irreparable. Honor, truth, veracity, industry and kindness, combined with Christian virtues, we acknowledge in him.

Resolved, That this Sunday School tender its heartfelt sympathy and condolence to the bereaved family.

Resolved, That a copy of these resolutions be sent to the family and spread upon the minutes of the Sunday School, and a page be kept sacred to his memory.

MRS. LAURA CRAIG, LUCY TOWNSEND, MRS. M. L. MILLIGAN, LETTIE ANDREWS, S. S. Com.

### Lost—Horses.

Two horses strayed from my residence, 3 1/2 miles below Hartford on the Point Pleasant road, on the night of the 25th of April. One, a blood bay and black marked; the other a sorrel, rilly, blaze face, 3 years old, right eye out. Any information will be gratefully received and I will come for them.

### A Bank at Whitesville.

[Owensboro Messenger.] A number of the leading citizens of Whitesville met Saturday afternoon and organized a bank with a capital of \$35,000. J. L. Shinnick was elected president; J. B. Barton, vice-president; T. C. Floyd, secretary; John B. Sinner, Henry Bray and L. B. Wells, directors.

WILLIAM ROBERTS, M. D. P. R. C. of the University of London, Eng., says: "Passive congestion of the kidneys may be present, in which the urine contains not a trace of albumen, while the symptoms of intense venous congestion, dropsy, orthopnea and pulsating joints are present. The urine becomes scanty, high-colored and dense." Warner's Safe Cure has cured thousands of these symptoms, often called disease, by putting the kidneys in a healthy condition.

### DIED.

TAYLOR.—Mr. Milton Taylor died at his home East of Hartford yesterday afternoon, shortly after 1 o'clock, of cancer of the lungs. He was 51 years of age, and six years younger than his brother, who died a few weeks ago. He was one of Ohio county's pioneer citizens, and lived to see his generation almost entirely passed away, and he was always known as a responsible and respectable citizen, and ever ready to aid in any public enterprise. The remains will be buried to-day at the family burying ground.

SANDERS.—Dr. George R. Sanders died at his home at Beads, Ohio county, Saturday, April 27, of pneumonia. Dr. Sanders, when he first came to this county some fifteen or twenty years ago, settled in the Centertown community. He was universally respected and admired by the citizens of both communities, while he was held in high esteem by the medical profession of the county. He was for several years the Herald's regular correspondent from Beads, and the letters signed "Dr. Sanders" were always read with interest. In his death the county sustains a great loss, and the community in which he lived, a greater loss.

The Brompton Hospital for Consumptives, London, Eng., published a statement that fifty-two (52) per cent. of the patients of that institution have unsuspected kidney disorder. Prof. Wm. H. Thompson of the University of the City of New York, says: "More adults are carried off in this country by chronic kidney disease than by any other one malady except consumption." The late Dr. Dio Lewis, in speaking of Warner's Safe Cure, says over his own signature: "If I found myself the victim of a serious kidney trouble, I would use Warner's Safe Cure."

Settled. The controversy over the post-office at Hartford has been settled, and Mr. Wm. Milligan gets it.

The blood is the source of health. Keep it pure by taking Hood's Sarsaparilla, which is peculiar in its curative power.

Tax—1889. Your tax for 1889 is now due. Please call on me at the Sheriff's office, or on my deputy, at the County Jail, and pay my first payment to the Auditor will be due on the 1st of May. This call must be heeded, as I am determined to have myself and my office in good standing. It is done by a prompt collection of the revenue of the county.

S. CALVIN TAYLOR, Sheriff Ohio County.

Wool! Wool! Highest market price for wool. Bring your wool! HOCKER & Co., Beaver Dam.

TRISLER, KY. Most of the farmers are done planting corn, and the long looked for rain has at last fallen.

Miss Julia Keene, of Pattieville, is not expected to live.

Mr. Willie Hill is quite low of typhoid fever.

Mrs. Pattie Wilkerson, of Short Creek, Ky., who has been visiting friends and relatives near here for the past two weeks, returned to her home last Saturday.

The party given by Mr. and Mrs. E. W. Truman on last Saturday night in honor of their son, Ernest's nineteenth birthday, was attended by a large crowd, and all seemed to enjoy it hugely.

Messrs. Burdage and McQuady's saw mill has finished work near here, and removed near Fordville.

Rev. Lewis Voyles preached at Whittinghill school house last Monday night. Rev. Voyles is a good preacher, and bids fair to make a grand success in the ministry.

The railroad talk is abating to some extent, but the work continues. We hope to soon hear the whistle and rumble of of locomotives in our midst.

Almost all land holders in this section have leased their oil and gas rights.

### SCROFULA.

Is that impurity of the blood which produces unsightly lumps or swellings in the neck; which causes running sores on the arms, legs, or feet; which develops ulcers in the eye, ear, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or "humors," which, fastening upon the lungs, causes consumption and death. It is the most ancient of all diseases, and very few persons are entirely free from it.
